

Come out and play!

## Easter School Holiday Clinic

On the School Holidays, we are running our tennis clinic. The clinics are run to increase court time and give our players the feeling of what it is like to train like tennis professionals. It is important for all our players to attend as it offers them lots of supervised practice time with our coaches specifying their technical and tactical analysis and correction for each student, while offering a fun and social environment for all who attend.

The clinic commences on **Tuesday 9th April 2024** and continues through to **Friday 12th April 2024** with varying times for specific ages & levels.

The clinic time slots are below:

**Ages 5-7 year olds – 3pm-4:30pm – Cost - \$72.00 full program or \$18.00 per day.**

**Ages 8-18 year olds – 7:30-10:30am – Cost - \$144.00 full program or \$36.00 per day.**

If you would like to register your child into our holiday clinic please fill out the registration form on the next page and return it prior to the end of Term 3.

We hope to see everyone there.

Yours Sincerely,  
Sandgate Tennis Coaching Team

Come out and play!
